- Kiddos in 6th-grade history class are working on and completing a personalized “I Pledge Allegiance” poem. These poems use the foundation of the Pledge of Allegiance but offer an opportunity to create an authentic and personalized piece to share with peers. Enjoy the sneak peek of the auditorium.

- A number of our African American males attended the i3 (Inspire, Influence, Ignite) conference at UWGB on Thursday. Our kiddos shared that they were both proud and glad that they were able to attend and offered the opportunity to be a part of this educational and culturally relevant experience.

- The bar has been set by Mrs. Olson who stretched her legs this past Friday in the pacer test. I will not share now by she passes she made but our kiddos were excited to see her out running with them.

- Our 7th-grade AVID kiddos traveled to the Wildlife Sanctuary. While there they participated in a number of small group team building activities. Additionally, an educational focus was placed on animals where are native to Wisconsin and have been rescued and rehabilitated. Our kiddos were very excited to hear and interact with the wildlife.
